

Inconceivable (Reversible)

Level: Sorcerer 1, Cleric 1, Druid 1

Range: 1'

Duration: 24 hours

Casting Time: 2

Area of Effect: One female creature of childbearing age

Saving Throw: Yes

Magic Resistance: Yes

This spell is the answer to the maiden's prayer. If cast before a night's passion, it ensures no pregnancy will result. If cast on a pregnant female, it results in immediate end to the pregnancy.

The reverse, *Conceivable*, ensures that any mating with a fertile and genetically compatible male results in a normal pregnancy.

An unwilling target gets a saving throw against either version.

Material components should be a horse, a hot bath, and a lemon.
